SJWD Service Area

Process to Date

- March 30 CVRA legal challenge
- May 13 SJWD Board decision – use safe harbor process (180 days)
- Tonight's Hearing
 - Outline process
 - Take Input from Public on Factors

Electoral Processes

- Existing (1954-2020) – “At-large” – voters throughout SJWD elect 5 Board members, on staggered terms
- New (2022 and beyond) – “By-division”
 - The SJWD service area will be divided into 5 voting divisions
 - Each division will elect one director
 - Only the voters in that division will be able to vote for the director that will represent the division

Mapping the Divisions

- To transition to division-based elections, SJWD will need to define the 5 voting divisions
- A map will be drawn showing the location of each division
- This is a public process and the SJWD will be taking the input of the community as it develops and refines the maps, consistent with applicable the legal standards

Rules and Other Factors for Divisions

Legal Considerations in Drawing Electoral Divisions:

- Reasonably Equal Populations (average +/- 10%)
- Contiguous Divisions
- No Racial Gerrymandering
- Communities of Interest
- Compact Divisions
- Members Can Complete Terms
