**San Juan Recognized for Excellence in Financial Reporting**  
Awarded Certificate of Achievement by Government Finance Officers Association

**Granite Bay, Calif.** – San Juan Water District was awarded the Certificate of Achievement for Excellence in Financial Reporting for its comprehensive annual financial report. The certificate is the highest form of recognition in the area of governmental accounting and financial reporting given by the Government Finance Officers Association and represents a significant accomplishment.

“We have always been committed to full disclosure of our financial reports and it is nice to be recognized,” said Shauna Lorance, San Juan general manager. “San Juan will continue to provide our customers with accurate and comprehensive financial reports to demonstrate our pledge to deliver high quality water at the lowest possible cost.”

San Juan was honored for their 2008-2009 annual financial statement which can be viewed at [www.sjwd.org](http://www.sjwd.org). A plaque will be presented at the January 26 board meeting to commemorate the achievement.

In a letter of congratulations the Association wrote, “We hope that your example will encourage other government officials in their efforts to achieve and maintain an appropriate standard of excellence in financial reporting.”

*San Juan Water District is a community services district that provides drinking water to more than 265,000 people in portions of Sacramento and Placer counties. In addition to serving retail customers in Granite Bay, east Roseville, and the northeast portion of Sacramento County, the district wholesales water to Citrus Heights and Fair Oaks Water Districts, Orange Vale Water Company and the city of Folsom (north of the American River) and periodically to Sacramento Suburban Water District.*

*The Government Finance Officers Association is the major professional association serving the needs of appointed and elected local and state-level government officials and other finance practitioners. It provides top-quality publications, training programs, services, and products designed to enhance the skills and performance of those responsible for government finance policy and management. The association, which has 17,500 members, is headquartered in Chicago, Illinois, with offices in Washington, D.C.*
