\_\_\_\_\_ \$25 SPWA/SCRSD (Doesn't apply if customer on a septic system)

\_\_\_\_\_ Total Rebate Amount Comments: \_\_\_\_\_

Approval Date: \_\_\_\_\_ Approved By: \_\_\_\_\_ Receipt attached  Yes  No

## Terms and Conditions

1. The High Efficiency Washing Machine Rebate Program will be administered by the San Juan Water District.
2. Washing machine must be an Energy Star qualified machine purchased between July 1, 2012 and June 30, 2013.
3. To verify rebate eligibility please reference the Consortium for Energy Efficiency website at [www.cee1.org](http://www.cee1.org) for eligible washing machine models.
4. To be eligible for consideration for participation in the program:
  - a. Property address where high efficiency washing machine is installed must be located in the San Juan Water District retail service area.
  - b. Applicant must have a water account with the San Juan Water District.
5. San Juan Water District reserves the right to verify the purchase and installation location of any appliance for which a rebate is provided.
6. Applicants must agree to a free indoor water audit to be eligible for the rebate if your home was constructed prior to 1994. An indoor audit takes approximately 30 minutes to complete. During the audit, we will check for indoor water leaks and check the flow rates on all toilets and faucets to (1) determine eligibility for other rebates, and (2) make recommendations for additional water efficiency measures that can be taken. Verification of installation of washing machine will be conducted at time of audit.
7. Rebate program is subject to available funding. Rebates will be distributed on a first-come, first-served basis until funding is depleted. Submission of an application does not guarantee a rebate.
8. Rebate will be offered in the form of a bill credit.
9. If you are a SMUD customer and have submitted a Washing Machine Rebate Application to SMUD, you are not eligible for a rebate from San Juan Water District. The rebates paid by SMUD are funded by San Juan Water District.
10. Your completed application form and your original sales receipt will be picked up by staff at the time of the indoor water audit.
