

SAN JUAN WATER DISTRICT TOILET REBATE APPLICATION

Important: Please read the application materials carefully and keep a copy for your records. Please type or print clearly in ink, then mail completed application and original cash register receipt and/or plumber's invoice to the water provider listed below. Use one application per property location. Residential, commercial, industrial institutional and multi-family applicants are eligible. The number of rebates is dependent upon the availability of program funds. All information on this application form is considered confidential. Applications are processed in the order received. Funding is limited, therefore, rebates are not guaranteed.

How to get your ultra-low flush toilet (ULFT) or high efficiency toilet (HET) rebate.

1. You must first call the *San Juan Water District* customer service at (916) 791-2663 or 888-WTR-TIPS (888-987-8477) to confirm if rebates are available.
2. Purchase and install the new toilet(s). You must be replacing a toilet using two (2) gallons per flush or greater (a non-ULFT) to be eligible.
3. You may install the toilet(s) yourself or you may also hire a licensed contractor.
4. Return the original dated receipt and/or plumber's invoice with the price, model and brand of each toilet listed individually, along with the completed application. Keep a copy for your records.
5. Submitting a signed application represents agreement to have *San Juan Water District* verify installation of the toilet, with your accompaniment. *San Juan Water District* will schedule an inspection.
6. Rebates are up to **\$125 for ULFT**, up to **\$175 for an HET** and up to **\$200 for a Commercial ULFT or Commercial HET**. Call *San Juan Water District* to verify the amount you are eligible for. Total rebate amount will not exceed actual money spent.
Eligible expenses include tank, bowl, seat, supply line, wax ring, caulking, bolts, bolt covers, tax, and cost of professional installation.
7. *San Juan Water District* will issue a bill credit within thirty to forty days of receipt of your completed application materials.
8. *San Juan Water District* is required to send IRS form 1099 to the customer and the IRS when rebates total \$600 or more.

Qualifications

1. Purchase of material must occur within the program period of **January 1, 2008 to December 31, 2009**. The number of rebates is dependent upon the availability of program funds. Call *San Juan Water District* to see if funds are available.
2. The location of installation must be served by *San Juan Water District*.
3. Residential, commercial, industrial, institutional and multi-family applicants are eligible.
4. Replacement of one ULFT with another ULFT or HET is not eligible for rebate under this program.
5. New construction is not eligible for rebate under this program.
6. Please refer to the toilet brochure for more specific information and qualifications at www.rwah2o.org.

Disclaimer

San Juan Water District, the Regional Water Authority (RWA), and the Sacramento Regional County Sanitation District (SRCSD) reserve the right to deny an application of any participant who does not meet all requirements as outlined. The RWA, *San Juan Water District*, and the SRCSD reserve the right to change the terms of this program at their discretion. The RWA, *San Juan Water District* and the SRCSD are not responsible for receipts or paperwork lost in the U.S. mail. The RWA, *San Juan Water District* and SRCSD cannot guarantee that the installation of the ULFTs will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all

required information is provided by the applicant on a first-come, first-served basis.

Customer Survey

This rebate program is partially funded through a grant from the California Department of Water Resources. As part of the grant, we are surveying customers to better understand what drove their choices regarding the replacement of toilet fixtures. In order for your rebate to be processed in a timely manner, please complete the following questions:

1. Toilets are being installed in a:
 Home
 Business
2. How many toilets do you have in your home or business? If a business, please specify number of urinals also. _____
3. How many toilets are being replaced? _____
4. For efficient toilets already installed in the home, how would you rate their performance?
 Better than expected
 About what expected
 Below what expected
 Don't yet know
5. Primary reason for replacing existing toilet with a more efficient toilet (please check only one).
 Bathroom remodel
 Toilet broken or not performing well
 Heard about the rebate program
 Concerned about saving water
 Other _____
6. If there are toilets in the home/business that are not being replaced, (please check all reasons that apply below).
 Toilet is already 1.6 gallons per flush or less
 Existing toilet is working well
 New toilet too expensive
Other _____
7. Would you consider replacing any toilets that are not efficient (greater than 1.6 gallons per flush) in the next 2 years if additional rebates are available?
 Yes
 No
8. For those purchasing a 1.6 gallon per flush toilet, please check all reasons that apply for not choosing a higher efficiency 1.28 gallon per flush or less toilet.
 Didn't know about them
 Didn't like the selection available
 Concerned about their performance (too new to market)
 Too expensive compared to the 1.6 gallon per flush models
Other _____
9. How did you find out about the program? (Please check all that apply):
 Utility billing/Newsletter
 Newspaper/Publication
 Radio/TV
 Billboard
 At an event
 Friend/Neighbor
 Other
