## Terms and Conditions

1. The High Efficiency Clothes Washer Rebate Program will be administered by the San Juan Water District.
2. Washer must be an Energy Star qualified clothes washer purchased between July 1, 2008, and June 30, 2009.
3. To verify rebate eligibility please reference the Consortium for Energy Efficiency website at [www.cee1.org](http://www.cee1.org) for eligible washing machine models.
4. To be eligible for consideration for participation in the program:
  - a. Property address where high efficiency clothes washer is installed must be located in the San Juan Water District retail service area.
  - b. Applicant must have a water account with the San Juan Water District.
4. San Juan Water District reserves the right to verify the purchase and installation location of any appliance for which a rebate is provided.
5. Applicants must agree to a free indoor water audit to be eligible for the rebate. Verification of washer installation will be conducted at time of audit.
6. Rebate program is subject to available funding. Rebates will be distributed on a first-come, first-served basis until funding is depleted. Submission of an application does not guarantee a rebate.
7. Rebate will be offered in the form of a bill credit.
8. Submit completed application form and your original sales receipt to:
