San Juan Water District

Please accept this letter of interest to serve on the board. I am currently a resident of American River Canyon where I have lived for over 19 years. Throughout the years I have been active in our community previously serving as a board member for our homeowners association. My community involvement includes over 15 years serving as a board member and Audit Chair for several local non-profits. In addition, I have been a member of the Rotary Club of Sacramento for the past 19 years, where I have served as a member of the board, as well as a trustee for the club's foundation. Thank you for considering me as a potential board member.
