

**San Juan Water District
INVITATION TO BID**

Sealed proposals will be received at the office of the San Juan Water District, located at San Juan Water District, 9935 Auburn Folsom Road, Granite Bay, CA 95746, until **2:00 p.m.** local time on **July 8, 2024**, or such later date as may be set by addendum, and then will be publicly opened and read for the construction of the following public works project: **Air Release Valve Replacement Program, FY 2023/2024.**

The Project consists of replacing 45 1-inch and 2-inch existing combination air release valves (ARVs), with a District option to replace an additional or substitute up to 3 existing ARVs, all within the southeastern portion of Placer County and northeast portion of SJWD's service area. Work includes, but is not limited to demolition, furnishing and installing ARVs (and appurtenances), excavation, backfill, and compaction, asphalt paving, concrete paving, and landscape restoration. Work shall be completed within **90** calendar days, from the date when the contract time commences to start. The Contract Documents contain a full description of the Work and requirements.

The Contract Documents for the Project, including the public works construction contract, instructions to bidders, bid forms, and plans and specifications, may be examined at the District office, with prior notice to the District's representative located at **9935 Auburn Folsom Road, Granite Bay, CA 95746**, or downloaded at www.publicpurchase.com. Hard copies will not be provided to prospective bidders
