

**San Juan Water District
INVITATION TO BID**

Sealed proposals will be received at the office of the San Juan Water District, located at 9935 Auburn Folsom Road, Granite Bay, CA 95746, until **2:00 p.m.** local time on **Tuesday, October 1, 2024** or such later date as may be set by addendum, and then will be publicly opened and read for the construction of the following public works project: **Water Treatment Plant Filter Backwash Hood Facilities Rehabilitation Project**

In general, the nature of the work involves the rehabilitation of the District's Water Treatment Plant's northwest and southwest filter backwash hood facilities including, but not limited to, the pump houses, backwash hoods, decks, crane bridges, bridge track systems, bridge drive systems, pumps, piping, valves, hydraulic system, coating, electrical instrumentation, disinfection, and start-up and testing. The work will be phased over two seasons (2024/2025 and 2025/2026), each between December 1 to May 1, in which one filter backwash hood facility will be rehabilitated in each season and be fully operational for use by District by May 1 of the that same season. The work is located at the District's Water Treatment Plant, located at 9935 Auburn Folsom Road, Granite Bay, CA.

The contract documents for the Project, including the public works construction contract, instructions to bidders, bid forms, and plans and specifications, may be examined at the District office, with prior notice to the District's representative, or downloaded from the website www.publicpurchase.com. Bidders must comply with the Instructions to Bidders.
